SPRING HILL METROPOLITAN DISTRICT NO. 1
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

Spring Hill Metropolitan District No. 1 ("District"), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in the Town of Erie, Colorado ("Town"). The District was established to undertake the planning, design, acquisition, construction, installation, relocation, redevelopment and financing of public improvements, including streets improvements, traffic and safety controls, park and recreation improvements and facilities, drainage improvements, and irrigation system, and all related operation and maintenance services.

The Town approved a Consolidated Service Plan, on October 26, 2021, for the District and Spring Hill Metropolitan District Nos. 2, 3, and 4. Such Service Plan limits the aggregate amount of debt that they may issue together to \$60,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Category	Rate		Category	Rate		Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%		Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%		Multi-Family Residential	\$55,000

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 4% of the property taxes collected by the Debt Service Fund.

Expenditures

Intergovernmental Transfers

Pursuant to a certain pledge agreement, the District will transfer tax revenues, net of collection fees, to Spring Hill Metropolitan District No. 3 (District No. 3) for the purpose of paying the principal and interest on the bonds issued by District No. 3 in October 2022.

County Treasurer's Fees

County Treasurer's collection fees have been computed at 1.5% of property taxes.

Debt and Leases

The District has no outstanding debt, nor any operating or capital leases.
